MEMORANDUM FOR: DDI Planning Officer

ATTENTION : [REDACTED] 25X1A

SUBJECT : Amended OBGI Objectives

REFERENCE : Your OBGI Objectives Working Paper

We suggest the following revisions:

Recast

OBJECTIVE 1.

To increase emphasis on the production of geographic intelligence studies, research papers, and briefings on areas of critical intelligence concern and papers in support of NIO staffs, interagency committees, working groups, and task forces.

OBJECTIVE 2.

By mid FY 1976, to complete all remaining first-time coverage of priority areas in the Intelligence Map Program (IMP) and to update 50 seriously obsolescent IMP sheets.

OBJECTIVE 7.

To produce intelligence atlases on topics or areas of critical concern at the rate of one each 6-9 months.

OBJECTIVE 9.

To provide timely cartographic and visual information support to all components of CIA and the Department of State

without reduction in quick-reaction support of the unique needs of COMIREX, current intelligence, and NIO (National Intelligence Officer) activities.

OBJECTIVE 13.

To achieve and maintain a level of 7,000 new entries per year in the Map Bibliographic Data System (DATMAP).

Add

PRODUCTS/METHODS IMPROVEMENT

To achieve by mid FY 1975, in coordination with OJCS, a working system for automated geographic data indexing, storage, and retrieval including automated readout of IMP (Intelligence Map Program) data in support of special mission reporting and intelligence analysis tasks.

Eliminate
